Decide now for a Secure Future

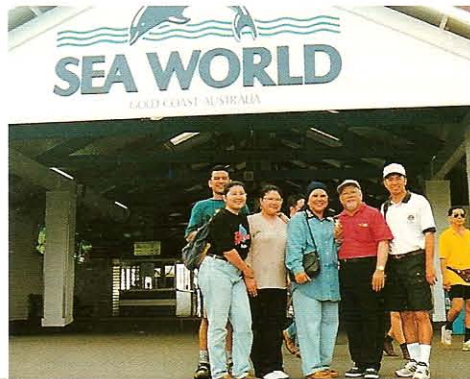

It was I (Anisah) who started our Amway business, and seven months later, Hamid lent his strong support. From 1981 until 1995, we built the business together on a part-time basis.

With an 'I can do it!' attitude and big dreams, we forged ahead towards our goals in order to attain a better lifestyle for ourselves and our family.

We have made a lot of sacrifices and put in a lot of hard work into our business, especially when we first started out. And with patience, determination, hard work and the willingness to face challenges head on, our business grew and strengthened.

We try never to deviate from our goals. We do our best to stay on track, with full concentration and focus so that we will achieve even greater success and excellence.

We will never quit the Amway business because it gives us a sense of fulfillment. It is exciting and we want to share it with as many people as possible, so that they, too, will have an opportunity to realise their dreams.

Economic slowdowns have no effect on the Amway business and on our Amway business. During the last economic downturn in 1985, we achieved Diamond Direct Distributor level. And, during this recent slowdown at end 1997 and early 1998, we achieved Executive Diamond Direct Distributor level.

Our Amway business is built on love, honesty, trust, sincerity, loyalty, mutual respect and close relationships. Through this unique business, we are able to help others improve their lives. We help and give to others regardless of race, background and station in life. Each of us has a responsibility to share the fruits of our success with those around us. This is what success is all about!

We would like to thank our four children and our family members for their stalwart support, and the leaders and Distributors of HANIS Associates for their wonderful teamwork. Special thanks to our sponsors Double Diamond Direct Distributors Tajuin & Nun for introducing us to this golden opportunity, and lastly to Rich and Jay and all the staff of Amway Malaysia for their cooperation all these years.

A Pearl Direct Distributor has personally, internationally or foster sponsored three groups, each of which qualifies at the maximum Performance bonus level in the same month.

Sambas Palil & Firdaus
Syed Mohamed & Sharifa Azizah

We joined Amway in November 1992, and decided to actively build our business two months later after our uplines convinced us that Amway products were of really good quality. The Amway meetings we attended added further impetus to our determination to succeed.

We became Direct Distributors in September 1995 and Pearl Direct Distributors in November 1997. I am still working as a supervisor at FELDA while Firdaus is a housewife. With a strong and reputable company supporting us, we're confident of achieving great things in our Amway business.

We had no business experience, so we simply imitated our uplines and followed their advice. Our organisation is seeing the rise of many dynamic leaders, such as Direct Distributors Faezah & Idris, Direct Distributors Roslina & Safian, Direct

Distributors Baba & Rafidah, Alim Yahya, and Rahim & Zaleha. Many more will be following in their footsteps.

We would like to thank our sponsors Norasiqin & Ibrahim, uplines Kamsani & Ainun, Emerald Direct Distributors Syed Mohamed & Sharifa Azizah, Diamond Direct Distributors Tan Boon Hoe & Giok Ten and our friends in J&J Center for their guidance, and all the staff of Amway Malaysia, especially those of JB RDC. Not forgetting our children, Mohd Khalili (10), Noorshakilla (9) and Mohd Saiful Bahri (4) who appreciate the value of AMWAY* products and the importance of the business for their future. They all aspire to be Amway Distributors when they are old enough. Let us all work hard and work ethically to achieve our dreams and goals. See you at the top!

Ser Chon Tau & Yuk Lin
Loh Kong Ming & Ng Moi

I (Chon Tau) joined Amway to oblige my brother-in-law Ruby Direct Distributor Loh Kong Ming. When Yuk Lin started building the business, I was angry as I did not approve of this 'door-to-door' business. I was already busy with my job as a contract farmer overseeing two poultry farms with about 120,000 birds. Yuk Lin persisted despite my objections and discouragement. After much patience and effort, she finally convinced me to accompany her to Amway meetings and conventions. Only then did I realise how marvellous the Amway Sales and Marketing Plan was and the unlimited rewards one could earn. Thus, I worked together with Yuk Lin. After a lot of hard work, we became Direct Distributors in November 1996, Ruby Direct Distributors in October 1997 and Pearl Direct Distributors in December 1997.

Perseverance is the key to success in Amway. See the value of the business, work with the leaders in the organisation and be truly committed. Success doesn't come without hard work, challenges and setbacks. We will continue to forge ahead because we believe that Amway is the only business we can rely on for a better lifestyle.

We would like to take this opportunity to thank all the leaders of J&J organisation for their encouragement, especially Diamond Direct Distributors Loh Foh Min & Bee Ching, Ruby Direct Distributors Loh Kong Ming & Ng Moi, Pearl Direct Distributors Loh You Ming & Bee Cheng, and Emerald Direct Distributors Yeow Kee Chin & Mee Ling.

Finally, never give up and strive for a better tomorrow. Thank you, Amway!

Segamat

Tan Keh Huat & Kim Hong
Ler Lay Phang

I was not impressed when I was first introduced to Amway. But after I attended a meeting where the Sales and Marketing Plan was discussed, I changed my mind. I was keen to explore the possibilities of the business, so I began selling, servicing and sponsoring.

Before we became Amway Distributors in 1993, I was a contractor while Kim Hong was a housewife. We qualified as Direct Distributors in February 1994, and Ruby Direct Distributors in October 1994. It was around this time that we really saw the potential of the business. Thus, I gave up my business to become a full-time Amway Distributor. It wasn't an easy decision because I had been a contractor for a long time. But in the end, I felt that the Amway business had more to offer.

The Amway business benefits everyone. The Distributor and the people he or she sponsor have

an opportunity to realise their dreams. Even customers benefit from quality products and good service. To date, we have been invited to Leadership Seminars in Las Vegas and Hawaii. We have enjoyed both these trips tremendously.

We would like to thank Direct Distributors San Kee Tong & Poh Lan, Ruby Direct Distributor Ler Lay Phang, Pearl Direct Distributor Lee Tow Siang & Suh Wei, Emerald Direct Distributors Lee Chee Seng & Siew Hwa, Emerald Direct Distributors Tan Hing Jau & Lew Sian, Diamond Direct Distributors Tan Tyng Yuh & Yoke Kwee and Crown Ambassadors Peter Lee & Choi Kit. Also, all the Distributors in our group for their cooperation and support, and the leaders of J&J Centre for their encouragement and help. "Success begins with a heart of desire. Conduct your business wholeheartedly and you will succeed."

A Direct Distributor has achieved six qualifying months in a rolling 12-month period.
