Amway Corporation

Consumer Oriented

When our fathers started this business nearly fifty years ago, they offered people the opportunity to be part of the free enterprise system – the chance to have a business of their own.

That's the foundation from which this business has grown, and from which the Amway Business Plan was created.

But you should know that the Amway Business Plan was developed with an emphasis balanced between sponsoring and selling. And it's a balance that requires a focus on selling first, and sponsorship later. Because we knew then that without developing customers who want to buy product from you, there's a limit to how effectively you can train and support others.

In those days you needed ten retail customers before you could even start sponsoring ... to keep that balance.

Today, we are redoubling our efforts to being consumer oriented to help you regain that balance. We need to be talking to consumers in the marketplace in a way that is appealing to them, and makes them want to buy our products.

Consumers need to feel comfortable in how they access us, shopping with us in a way they are accustomed to. We need to give that control to them. We need to give them the chance to choose us. So we're developing products they will want to choose from you. Products that are developed from focused market research to align with their needs and desires.

And as our sales force, we need you to represent all the elements of the Amway business – a convenient purchasing opportunity as well as a business opportunity. You need to recognize when a customer just wants to buy product from you, and in turn ... when that customer just might be interested in starting their own business.

Remember that if they believe in our products, they are much more likely to see the value in this business opportunity.

We'll be here to support you in doing the things that are right for your business. So together we can build an even stronger foundation, and a consumer oriented culture that creates opportunity for everyone.

Interior Designer (W) & Businessman (H)
DOJ: 27/08/1999 | JAIPUR

I am a businessman and my wife is an Interior Designer. I was pursuing my bachelor's degree in Science when I came across Amway Opportunity. Initially, my father opposed my decision of taking up this business and was totally against it. Soon, after attending a seminar, he also joined this wonderful business and is presently at a prestigious level of recognition. We are building Amway business with our entire family, my parents and three sisters.

I always aspired big in life. I was looking for a break which could transform my dreams into reality. It was then that the Amway business opportunity came into my life and made me capable enough to realize my dreams. I immediately grabbed the opportunity and devoted myself completely to it. I believe that it's my dedication towards the work, consistency and persistency along with the trust and support of my esteemed uplines and loving downlines that kept me moving and enabled me reach this level.

I have recently got married and in my opinion, Amway business is the best gift I could present my adorable wife. It's the only gift that promises lifetime security and an atmosphere of ethics and great values for our family and the future generations to come.

It's the only gift that promises lifetime security.

We are a family of big dreamers, hard workers and willing to pay price to reach the top. We were not prepared to live life of compromises. In spite of all our efforts, our dream of leading a decent lifestyle was still far away. Deteriorating health and unfulfilled dreams made us think about new opportunities which will transform our dreams into reality. At this moment, with the blessing of God, we were shown the Amway Opportunity. It became immediately clear to us that this was what we have been looking for. We realized the global reach and tremendous future potential of Amway business. We immediately started working very hard and never looked back. As we went deeper and deeper in this business, the whole concept of building a solid and profitable business became clearer to us. We developed faith into our capabilities as well as in Amway products and became more and more self-assured and confident. These two years have brought a sea of change in our life. We have achieved most of our dreams and are on our way to bigger achievements.

In this journey towards success and accomplishments, we were greatly helped by all our family particularly my parents S. Gurnaik Singh Sandhu and Smt. Mohinder Kaur Sandhu. Our children Rustam and Jagdeep cooperated nicely with us to create the right atmosphere for growth and glory. The Amway products are so wonderful that it became very much easy to build big business.

Achievers dream success and success makes them achievers.

I was working as a constable with Police Department and was leading a very hectic and stressful life. My wife was doing tailoring work on her own sewing machine at home.

We were looking for some extra income. At that time one of my friends introduced us to Amway Opportunity. Realizing the great potential of this business, I resigned from my job of 26 years. This decision has transformed our life drastically. Now we have shifted from two room quarter to two bedroom apartment and also own a brand new car.

All our challenges are vanished and now we are leading a very healthy and stress-free life with our loved ones. We are grateful of our strong uplines and teammates. Now our goal is to help them to achieve their dreams.

Our message is – One who loves his family will never reject Amway. Ordinary People can achieve extraordinary Dreams with Amway.

Dream it, believe it, do it!

NEW TDS RULES

PAN No. MANDATORY

As per Income Tax Act, AIE (Amway India Enterprises) deducts TDS (Tax Deduction at Source) on all Discounts / Commissions Credited / paid to ABOs.

With effect from September - 2007 based on very recent amendments to the Income Tax Act 1961, some changes have been incorporated to the requirements of issuing TDS Certificates and claim thereof.

- ♦ **Quoting PAN No. is MANDATORY for ABOs** whose income has crossed the threshold limit of Rs.2,500/- in a financial year (April to March).
- ♦ AIE has been filling a quarterly return (Ending 30th Jun, 30th Sept, 31st Dec & 31st Mar) to prescribed Income Tax Authority providing them details of TDS deducted of all the ABOs along with PAN No. & address, where available.
- ♦ Now onwards, Quarterly Returns will **NOT be ACCEPTED** by the Income Tax Authorities unless the PAN No. & address of ABOs are provided in the returns.
- ♦ Therefore mentioning correct PAN No. & address of ABOs is mandatory by law. In absence of these required information, benefit of tax deducted by Amway may not be available appropriately to ABOs.

All ABOs are requested to immediately furnish their PAN Number and correct Address to AIE for claiming benefit of Tax Deducted at source at nearest Amway Office or mail to Hema_Soni@amway.com or Akhil_Seth@amway.com

Two times FIFA Player of the year (2004 & 2005)

Nutriline, the world's leading brand of vitamins, minerals, and dietary supplements, unveiled this prestigious and exciting relationship and the new global advertising campaign – Number 1 Scores Number 10 - which leverages the brand's partnership with two-time FIFA Player of the Year and soccer great Ronaldinho in Barcelona, Spain on 28.2.08.

Ronaldinho takes multivitamin - "**Nutriline Daily**" to keep his dominating performance both on and off the field.

Some of his noteworthy accomplishments :

European Footballer of the year :	2005, 2006
World Football Player of the year :	2004, 2005

Leaders & Speakers

We have been receiving constant feedback for bringing out some guiding principles to ensure consistency of messaging with respect to the Amway business. Often, BSM review team was asked about the basis on which BSMs are/would be reviewed.

To bring about clarity and consistency in this important aspect of our business, we are presenting herewith Speaker's 'Guidelines' which are being made effective from the date of this communication. All Speakers are advised to adhere to them while speaking in any meeting associated with the Amway business.

DOs

1. Talk about the need to build a "Balanced" business with equal emphasis on product retailing and recruiting.
2. Talk about income being proportional to effort.
3. Talk about money coming from product sales and not from recruiting.
4. Talk about the need to retail products to customers.
5. Talk about education / Systems / BSM and the positive motivation / education they provide. Ensure people know it is optional.
6. Talk about Amway's money back guarantees for product and for business opportunities.
7. Do talk about income up to the Emerald Level as being "Part Time".
8. Do talk about "Approved" income claims and give examples of how that can be achieved.

Use income claim put out by company.

PIN	Monthly (Excluding Retail Profit Margin)
Founders Platinum	Rs. 35,000
Founders Emerald	Rs. 1,30,000
Founders Diamond	Rs. 2,80,000

DON'Ts

1. Don't over emphasize only one part of the business, like recruiting.
2. Don't make it sound easier than what it is.
3. Don't talk only about recruiting with no need to retail.
4. Don't suggest you only "self consume" and get others to do the same.
5. Don't suggest systems / BSM's are mandatory for success or that success is guaranteed because you utilize them.
6. Avoid talking about this important aspect or forget to mention it.
7. Don't suggest any person to go "Full Time" until they achieve the Emerald level.
8. Don't talk about "Guaranteed Earnings" or suggest / infer achieving an income level in a specified period of time.

Others

1. It costs Rs. 995/-only to join the Amway business.
2. Business Opportunity is offered by Amway and not by anyone else.
3. Amway is not a 'Get Rich Quick' scheme. Income is not earned by merely joining.
4. No Amway Business Owner should be ridiculed or demeaning statements made about him/ her.
5. No religious or political beliefs should be promoted or disparaged at a meeting convened to promote Amway business.
6. Always leave a 'leave behind brochure' with your prospects for their ready reference.

When it comes to reaching to the underprivileged and the down trodden, our associates and ABOs alike have left no stone unturned. Be it Bangalore or Belapur, Surat or Delhi; AOF events have been runaway successes.

ABOs and our associates in Bangalore banded together on the 5th of January to ensure that this year – 2008, is a memorable year for the 130 less privileged children of Courtesy Foundation. All these 130 school going children commenced their new year with brand-new school bags, thereby reinforcing our commitment to the education of the less privileged children.

At Namakkal our ABOs chose to donate a water purifier to the Municipal Elementary School. This act will ensure that these children have access to clean and safe drinking water. This would not have been possible without the support of our ABOs in Salem and Namakkal cluster, who identified the school and its need. At Coimbatore, 1200 ABOs and general public came together to fill the auditorium for the benefit of underprivileged children of this city. The city was gripped in peals of laughter as the performance held the audience to a memorable evening of jokes and anecdotes. Donations from resources raised are to follow.

Going West, ABOs at Thane and Belapur came together to get their health assessed (Bone Density analysis) and chipped in with contributions to make funds available for providing a 'better life' for underprivileged children of these two cities. In the Western region, again, with the help of our associates and ABOs, a village school in Parbani was identified to help the children of this school in education. A computer was donated to the children of this school to equip these children in Information Technology knowledge.

At a function organized at Surat, Amway distributors and employees gifted one digital photocopier to Sneh Angan a Non-profit organization, established in 2004. This NGO caters to special children suffering from mental retardation, cerebral palsy, autism and autism spectrum disorder (ASD), Down's syndrome, attention deficit hyperactivity disorder and dyslexia.

22 couples - Diamonds, Platinum's, Sapphires, Emeralds participated in this enthralling dance competition. The participants being from a spectrum of age groups viz. a grandfather to a tiny tot, tangoed to a pre-selected numbers with excellence. They showcased their skills which were appreciated by one and all.

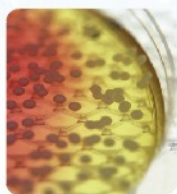

The Chief Guest Mr. S C Jain, Member Judge, District Consumer Court West remarked "When I learnt about this event I thought it is another FMCG company doing a social evening when I realized that this event by Amway Opportunity Foundation, for the underprivileged, I decided to come.... and am very pleased by this initiative taken by AOF & the ABOs for the welfare of the children and society at large." The Guest of Honour Mr. Anil Jain, Secretary, Mahavir International, commended this initiative taken on by the ABOs.
