Always keep your *Hope, Confidence & Dreams alive*

Praise God, we were introduced to this business 16 years ago by our our best friends Mr & Mrs Wong See Choon! Today, we are proud and honoured to have achieved Executive Diamond Direct Distributor level. Many people have contributed to our success and we are thankful to everyone of them. If Rich DeVos and Jay Van Andel hadn't the vision to create this marvellous business opportunity, we would not be living the life we have today.

Dear friends, have faith in yourselves. Keep on learning and improving. Work towards your goals. Success is indeed possible if you adhere to the Sales and Marketing Plan. We would like to thank all the leaders of L&A Network, all our friends in Amway

and all Amway staff for their support and cooperation.

Our 16 years in the business have not been easy. We have to keep excelling, be innovative, keep ourselves informed, break free from set ideas and keep ourselves psychologically and mentally charged up at all times. But through it all, we have enjoyed the work and gained far more than we've ever dreamed. We live a full life

that's vibrant and full of love. It's no wonder why so many Distributors around the world have committed themselves to this business! We can afford to send our children, who have grown up in the positive Amway environment, overseas to further their education. Angeline and I are extremely proud of them.

It really doesn't matter how long you take to succeed in the business. What's more important is that you have reached out to the people around you, touched their lives and made their lives better. We are glad that the Amway business provides for this opportunity.

Dear friends, to succeed, you must have hope, confidence and dreams. Don't lose grasp of these, or you will lose everything. Your life is in your hands. You will reap what you sow. Take full advantage of this wonderful business opportunity. We wish you all the best. See you at the top!

Kuala Lumpur

Allan & Michelle Goonting

Jasmin Kaur Deo

As a secretary and a civil engineer, Michelle and I were always too busy with our work. I have known about the Amway business for 21 years as my parents Emerald Direct Distributors Allan & Julie Goonting have been in the business since 1976. We never considered it as an option though we were using the products at home. We have always dreamed of having our own business but we had no capital, no knowledge of business, no one to teach us, and no time. When Emerald Direct Distributor Jasmin Kaur Deo shared the opportunity with us in October 1994, we signed up immediately, although Michelle was still sceptical.

We only made the decision to start building the business as part of our New Year's resolution for 1995. We made steady progress, achieving Emerald Direct Distributor level in August 1997.

Both Michelle and I still work at our jobs but we foresee that in the near future, we will be able to dedicate our time to our three-and-a-half year old son, Craig. Our sponsors and our line of sponsorship have been instrumental in our

development in this business. They believed in us when no one else would. They stood by us when no one else did. They pulled us up when we felt down. They had faith in us. They cared. By their example, we now do the same for those in our organisation.

The tremendous support from the management and staff of Amway Malaysia has also been a major factor in our business. The strength, dependability, ethics and sound business acumen espoused by Amway Malaysia have allowed us the credibility and opportunity to build a strong and profitable Amway business. The Amway Sales and Marketing Plan, in its 38th year is still the best.

If you think you can or you think you can't, you're right! Always think you can.

Kuala Lumpur

Lim Kean Tin & Hui Yan

Lee Mun Yoong

Firstly, we would like to thank our sponsor, my mother Diamond Direct Distributor Lee Mun Yoong, for her support and encouragement. Also, my brothers and sisters, and our friends who have never let us down. Hui Yan, my wife and helpmate, has been my constant encouragement. She has always believed that I would succeed in the business. Her confidence in me has instilled in me the desire to achieve Diamond level one day.

Our trust in Amway and our believe in ourselves have helped us overcome all the setbacks and challenges we faced.

I started my Amway business soon after I returned to Kuala Lumpur from Japan. I had no friends or any means of transport. But by attending meetings regularly, I gained the initiative to develop my business, sponsoring and servicing customers. Strangers soon became fast friends.

We believe that no matter how long it takes, we will succeed. The obstacles we face today are merely stepping stones to greater achievements.

If we can do it, so can you. Believe in yourself and never give up. "You must give before you can receive. You have to act before you can grow. So, if you want to achieve distinction in your career, you must give and act – quickly and intelligently."

A Pearl Direct Distributor has personally, internationally or foster sponsored three groups, each of which qualifies at the maximum Performance bonus level in the same month.

Pulau Pangkor

Chiang Bee Dih
Chiang Leon Huat

Ever since I was young, I was determined not to work for others when I grew up. After my graduation, my father found me an office job. A year later, I joined Amway to oblige my brother. Soon, I saw the potential of the business. Since I had always dreamed of having a business of my own, I worked hard. I believed that the business would bring me the things I longed for in my career and in my life.

Growing my business in Pangkor Island was not easy. Besides lacking in business experience, I faced disparagement from friends and acquaintances, and transport was a problem. Fortunately, in times of hardship, my parents and family members were always supportive. I deeply appreciate their care and concern.

In December 1996, I went on my first Leadership Seminar. Hawaii was absolutely marvellous! If it weren't for Amway, I'd never have achieved all that I have at such a young age.

I work hard, live life to its fullest and look to my future with hope. My elder brother, three sisters and younger brother all have thriving Amway businesses.

I am extremely grateful to my brother Direct Distributor Chiang Leon Huat for introducing me to a wonderful business opportunity. I would also like to thank the leaders of Hawk Centre for their guidance, and also all Distributors who have helped me in one way or another. Without their help, I'd never have made it. Thank you, too, Rich and Jay, for creating a heaven on earth!

Kuala Lumpur

Steven & Jenny Goh
Choi Yuen Kee & Siew Mae

Before I joined Amway, I was a hawker, working 7 days a week, from 9 a.m. to 11 p.m. everyday. In January 1996, we signed up as Amway Distributors. Because we saw the potential of the business, we knew that if we worked hard, we would have financial security for life.

When I first started the business, friends told me that I'd never have time for it. But I believe that if a person sees the value in something or some endeavour, he or she will make time for it. We made full use of our free time to develop our business, introducing our friends and relatives to the unique Amway business opportunity. Together, we will continue to work towards our dreams and goals.

We achieved Direct Distributor and Ruby levels in June and October 1996, respectively. We became Pearl Direct Distributors in October 1997. Our goal is to become Emerald Direct Distributors this year.

We would like to thank Diamond Direct Distributor Lee Mun Yoong for her support, the leaders of Family of C.T. for their guidance, upline Direct Distributors for their encouragement and sharing, and all the Direct Distributors in our group for their cooperation. Best wishes, and see you at the top!

Kota Bharu

Lim Seng Kiow & Hui Kheng
William Goh & Emmy Tong

On 28 October 1996, my brother William told me (Hui Kheng) that he was resigning from his job as a manager in a computer manufacturing firm to become a full-time Amway Distributor. I was taken aback but as a show of support, I let him sponsor me into the business.

For the last 10 years, I had been taking care of our three children and helping Seng Kiow in several businesses. As I was afraid that the Amway business would affect my family life and job, I did not tell Seng Kiow about it. Fortunately, William introduced us to Diamond Direct Distributor Daniel Li (who was then an Emerald Direct Distributor) and Emerald Direct Distributor Teo Yee Hwa, who

explained to Seng Kiow what the Amway business was all about. We were convinced.

Building the business wasn't easy, but with the guidance of our uplines and other Distributors, we persevered. With the help of friends and relatives, and the Distributors in our network, we qualified as Direct Distributors and Pearl Direct Distributors in October 1997.

We would like to congratulate the three Silver Producers in our group, and thank our sponsors Direct Distributors William Goh & Emmy, Direct Distributors Vincent Seah & Stephanie Goh, and Diamond Direct Distributors Daniel & Syusan Li. As a token of our appreciation, we will work even harder for higher achievements. See you at the top!

Kuching

Kho Boon Seng & Siok Kheng
Peter Lim Choon Huan & Lai Chan

Before I joined Amway, I was in the advertising line and later, the laundry business. In 1985, I went to Kuala Lumpur to buy some laundry equipment. There, my friend Diamond Direct Distributor Daniel Li introduced me to Pearl Direct Distributor Peter Lim Choon Huan, who sponsored me into the Amway business. In 1986, Peter flew down to Kuching and brought me to an Amway meeting. It was then that I began to understand the business better and started to develop it seriously. In 1987, I qualified as a Direct Distributor, but later problems cropped up and it wasn't until 1997 that I picked up momentum again. In October that year, I qualified as a Pearl Direct Distributor.

The Amway business is a unique. Although I neglected the business for some time, it continued to grow, albeit slowly. It offers ample opportunities for personal development, freedom, and trips

abroad. Best of all, the entire family can be involved!

My goal is to qualify as Emerald Direct Distributor this fiscal year. I would like to thank Diamond Direct Distributors Daniel & Syusan Li, Pearl Direct Distributors Peter Lim Choon Huan & Lai Chan, Executive Diamond Direct Distributors Alan Tay & Siew Hua, Diamond Direct Distributors Andrew & Lina Goh, Diamond Direct Distributors Stephen & Suok King Wong, Emerald Direct Distributors Chin Kian Hua & Pink Ling, all the leaders of CAA Network, and all the Distributors in my group. And most importantly, my wife Siok Kheng for her support and encouragement.

A positive attitude, the will to succeed and the willingness to learn and work hard are what matters in growing a successful Amway business. See you at the top!

Ipoh

Rosli Hussien & Rahimah
Suhaimi Mohamed Ramli & Che Pora

It was Rahimah's interest in ARTISTRY* products that got us started in the business. I wasn't keen on the idea of door-to-door selling. Furthermore, I was already involved in politics and youth activities.

When I heard about how a Diamond Direct Distributor's distributorship was inherited by her heirs after she passed away, and that that business continued to flourish, it made me realise time should be spent profitably. Spending time on the Amway business is profitable because it is an investment for the future.

In 1993, we were two months short of achieving Direct Distributor level. We were terribly disappointed but realised that as long as we didn't give up, we hadn't failed. In 1994, we made it up

by achieving Direct Distributor and Ruby levels at the same time. Three years later, we became Pearl Direct Distributors. We have been on Leadership Seminars to Las Vegas (1995) and the Gold Coast (1997).

We would like to thank our sponsors Direct Distributors Suhaimi & Che Pora for their constant guidance and Executive Diamond Direct Distributors M K & Swee Chan Kong for their help and time. They have always been there for us when we needed them.

If we aren't doing the business seriously, we don't really know it well. Think about it. See you at the top!

Kuala Lumpur

See Tung Hooi & Bing Peng
Yap Ah Hing & Phaik Har

First of all, we would like to thank our sponsors Pearl Direct Distributors Yap Ah Hing & Phaik Har for their advice and guidance. We will always remember their kindness!

I had been in several businesses before I chose to sell vegetables and fish. This I did for over 20 years, and though business was profitable, the hours were long, and there was no freedom or security. I joined Amway out of obligation to my sponsor. Having rejected his offer many times, I finally relented. However, my interest in the business developed when I joined SoonYe Centre. The Distributors there are caring, and they helped me understand the business better. Bing Peng and I soon realised that the business could help us realise

our dreams. It offered security for the future, and we could have freedom in our lives if we worked hard. "Amway products are quality products, and there is always a market for quality products. Along with its proven Sales and Marketing Plan, the rewards in Amway are unlimited, and achievable."

Our heartfelt thanks go to Double Diamond Direct Distributors Lee Kim Soon & Kwee Choo, who have encouraged us and taught us to love and care for others. Our thanks also go to the leaders of SoonYe Centre for their support and encouragement. Not forgetting the staff of Amway Malaysia for their support and service. Amway is the best!

A Pearl Direct Distributor has personally, internationally or foster sponsored three groups, each of which qualifies at the maximum Performance bonus level in the same month.

Kota Kinabalu

Alan Tah Guan On & Alice Kong
Chin Lee Fah & Bee Yean

We joined Amway in 1996. At that time, I was a wholesaler dealing in car parts while Alice was a beauty consultant. It was my sister, Mary, who introduced us to Amway. I was attracted by the lifestyle of freedom, financial security, and travel opportunities. In December 1997, we had a magnificent time at the Leadership Seminar in the Gold Coast!

We enjoy promoting and selling Amway's quality products, and sharing the business plan to others. We believe we're offering something that's good and beneficial.

Challenges are a part of life and with the Amway business, it's no different. But with perseverance and by the grace of God, we can overcome them. We're glad we made the right

choice with Amway! Today, we are full-time Distributors.

We would like to take this opportunity to thank Amway Corporation and the management and staff of Amway Malaysia. Our love and appreciation go to our sponsor Mary Tah Bee Choo, Pearl Direct Distributors Chin Lee Fah & Bee Yean, Executive Diamond Direct Distributors Choong Soong Yew & Soy Fong, and Crown Ambassadors Peter Lee & Choi Kit, all the Distributors in our group, all the leaders of J&J Centre, and all the leaders in Sabah for their support and encouragement.

Be willing to learn, to follow, to improve and to act. Your dreams will come true. Let's work together for a better tomorrow.

Tung Wei Khoon & Yoke Kim
Yong Kim San & Eng Boey

I used to operate a business distributing fresh milk. Though the income was good, the hours were long. Every day, I had to ensure my staff received their supply of milk by 4.00 a.m. At times, I had only 4 hours of sleep. When Emerald Direct Distributor Yong Kim San introduced me to Amway, I was drawn by the freedom the business offered. As I didn't like my lifestyle then and there was nothing to lose, I signed up.

When Yoke Kim and I were married, we decided to build our Amway business seriously. We wanted financial security, and we wanted to do the things we enjoy. We wanted to take our children for holidays without having to worry about the business.

We would like to thank our sponsor Chong Tai Hee, Emerald Direct Distributors Yong Kim San & Eng Boey, Executive Diamond Direct Distributors Choong Soong Yew & Soy Fong, and Double Diamond Direct Distributors Chan Koon Tin & Chai Foong for their guidance, care and support. Also, the leaders and Distributors of Viclink Success Network for their cooperation and support. Continue to strive for success and a better life. Our goal now is to achieve Emerald level this year. See you at the top!

Kuala Lumpur

Yap Ah Hing & Phaik Har
Chan Mooi

Thank you Pearl Direct Distributor Chan Mooi for introducing me to the Amway business! As a housewife, I did not have many friends but all this changed when I joined SoonYe Centre. SoonYe Centre is full of caring people who enjoy doing the Amway business. We work together and grow together. Thank you Double Diamond Direct Distributors Lee Kim Soon & Kwee Choo for your guidance!

At first, my husband did not agree with my decision. Amway was only a door-to-door business, he said. But now, he understands that the business is built on relationships, mutual sharing and helping. When we introduce Amway, we are offering people an opportunity to change their lives

for the better. This is something that's good and we should be proud of doing it.

Today, I am a housewife and an Amway businesswoman. Often, I am able to sell products even as I chat with the people I meet. I am earning a steady income and my husband fully supports my business. Recently, we were honoured by over 3000 people when we went on stage to receive our Pearl Direct Distributor's Pin and Certificate of Accomplishment at Putra World Trade Centre, Kuala Lumpur. We have been on Leadership Seminars overseas and enjoyed ourselves every time.

Thank you Rich and Jay for creating such a wonderful business opportunity. Also, our thanks to the staff of Amway Malaysia for their support. Let us work together for a better tomorrow.
